

# Automotive brake calipers broaching

CHR 畅尔 汽车刹车卡钳加工

## 集成拉床、加工中心、机器人自动化成套装备的智能化生产线

Intelligent production line integrating broaching machine, machining center and robot automation equipment

- 毛坯无序深框拣选  
· Rough disorderly deep frame sorting
- 集成自动上下料及在线检测  
· Integrated automatic loading and unloading and online detection
- 实现生产线无人化作业  
· Realize the unmanned operation of the production line
